Providing Feedback and Reporting Issues

Postdocs sit on many university-wide committees and working groups to contribute to the various discussions, support the community, and improve the situation for postdocs at Cambridge. Below, you can find a non-exhaustive list of these committees and groups. If you would like to provide feedback or suggestions related to a specific group or topic, please get in touch using the following form and make sure to forward your input to the corresponding postdocs:

If you would like to report a postdoc-related **issue** or provide **general suggestions** and **feedback**, please choose "General issues, suggestions, or feedback." from the drop-down menu. Please note that issues reported to PdOC will be anonymised prior to being discussed with other university bodies.

For general information concerning the University structure, its governance bodies, and related executive committees, please access the [University Governance webpage](#).
