Researcher Development for Postdocs

Introduction

- At its heart RD encompasses all of the **learning and development** that you experience and acquire during your time in Cambridge.
- It provides you with the **skills** you need right now for your **current work**, as well as for **your future**, whatever that might look like.
- The RD team develops and delivers a **diverse programme** of activities and **online resources** for researchers, as well as acting as a hub for the coordination of RD provision in the University.

Our COVID19 Rapid Response

Overview

- **RD Online**
- **Successful Researcher Roadmap**
- **Centre for Teaching and Learning's Teaching Remotely Guides**
- **Researcher Development on LinkedIn Learning**

- **One-to-One Coaching**

Book a confidential 1:1 coaching session with the RD team to discuss any aspect of your professional development: how to choose a course or make a development plan, specific questions or concerns, reflections on your online learning - you set the agenda.

- **#RDaudio**

Listen to our new podcast series on our YouTube channel where experts in different areas of RD get together online to discuss various topics including, *Procrastination*, *Communicating Remotely* and *Resilience*.

- **RD On Demand**

View a variety of new and curated resources across the topics such as *Public Speaking & Presentations*, *Productive Working* and *Tips for Online Learning*.

Successful Researcher Roadmap

- Self-paced workshop best suited to early career researchers with a specific research project or career goal to plan
- Introduces you to a tool which has been specifically adapted to enable you to comprehensively map out your project plan
- Lifetime access to materials
