Postdoc Academy

Researcher Development
What is RD?

• At its heart RD encompasses all the learning and development that you experience and acquire during your time in Cambridge.

• It provides you with the skills you need right now for your current work, as well as for your future, whatever that might look like.

• The RD team develops and delivers a diverse programme of activities and online resources for researchers, as well as acting as a hub for the coordination of RD provision in the University.
Postdoc RD Team

Steve Joy
Head of Researcher Development

Hannah Fromageau
Senior Researcher Development Associate

Nicole Horst
Researcher Development Associate
Covid19 Rapid Response Overview

- RD Online
- Successful Researcher Roadmap
- Centre for Teaching and Learning’s Teaching Remotely Guides
- Linkedin Learning
RD Online

• **One-to-One Coaching**
  • **Book** a confidential 1:1 coaching session with the RD team to discuss any aspect of your professional development: how to choose a course or make a development plan, specific questions or concerns, reflections on your online learning - you set the agenda.

• **#RDaudio**
  • **Listen** to our new podcast series on our YouTube channel where experts in different areas of RD get together online to discuss various topics including, *Procrastination, Communicating Remotely* and *Resilience*.

• **RD On Demand**
  • **View** a variety of new and curated resources across the topics such as *Public Speaking & Presentations, Productive Working* and *Tips for Online Learning*. 
Successful Researcher Roadmap

• Self-paced workshop best suited to early career researchers with a specific research project or career goal to plan

• Introduces you to a tool which has been specifically adapted to enable you to comprehensively map out your project plan

• Lifetime access to materials
Cambridge Centre for Teaching and Learning (CCTL)

- CCTL has developed introductory guides to teaching remotely, including *Moving Supervision Online* and *Remote Teaching Webinar Series*
